

Dear Parents:

I am Andreya Pencak and I have the privilege of being komendantka of novatski tabir in Seattle this summer. This is my fourth year as a counselor and my second year in komanda. I cannot wait to be at camp with your novaky and novachky. I know that we'll have an awesome time!

Below is the link for the Camp Sheppard website, where we will be camping:  
<http://plastseattle.org/wp-content/uploads/2019/06/Oselia-Camp-Sheppard.pdf>.

All of the girls will be in one cabin with the female counselors and the boys will be in a separate cabin with the male counselors.

In addition to the original list of things to bring to camp, please bring:

1. Craft supplies like: crayons, colored pencils, markers, glue, etc.
2. Small picture of your child in an envelope - to be used for a craft (passport size photo)
3. Daypack for day trips (school backpack - nothing fancy)
4. *ONLY* for girls: a flannel shirt, if you have one
5. *ONLY* for boys: brown short sleeve t-shirt
6. Binoculars
7. Hanger - for uniform, rain jacket, etc.

I am sure that we will have a great time in Seattle and make great memories!

Hotuys - Готуйсь!
